

ABOUT US

Creating Stupendous Relationships with Artists and Collectors

Vivid Exclusive Art Gallery's mission is to develop the practice, and understanding of contemporary art, in Nigeria and beyond. We aim to enrich our audience's experience through artistic and educational programmes that are distinctive, innovative, stupendous and challenging.

To deliver new artistic programmes which are challenging and accessible, featuring the best local and international contemporary work in art.

To support the development of artists and arts practice in Nigeria through new commissioning and exhibiting opportunities, courses and events, publishing and professional development activities.

To develop audiences in Nigeria and internationally through exhibition, touring and distribution of work, in both physical and virtual spaces.

To work with arts and educational partners in Nigeria and internationally to ensure that artists, audiences and participants in education programmes have a deep and wide-ranging engagement with contemporary art.

To secure new, integrated premises in a more central location which enable Vivid exclusive art gallery to draw together the various strands of its work, to extend its cultural offer and reach, and maximise the potential for developing audiences and participation.

To build organisational capacity and levels of expertise to support growth and ensure the highest quality delivery in all areas of our work

To increase investment in marketing and development activities which extend the reach and impact of vivid art gallery Nigeria's work, both in Nigeria and internationally

To develop new income streams and increase financial efficiency and effectiveness to ensure long-term sustainability for the organisation

To act as an effective advocate for contemporary visual arts in Nigeria, nationally and internationally.
